Dear Karen + James and Fishes
Volunteers,

Words cannot express how
much my family and I
appreciate the help you
have given us.

I lost my job of 20+ years
on July 1st and my husband
is disabled. We counted on
my paycheck to pay all the
bills. I wasn't sure how we
were going to make ends meet.

Because of your generosity of
food, clothes, and even shoes,
we are doing well.

I thank you guys
for everything you
have done for
our family. May
you and your
family have a most
Blessed Christmas
and New Year.

Merry
Christmas

Thank you
so much.

for giving me your
help I know the
LORD used people and
he could not have
picked a better one
with loving, kind
staff at Fish & Loaves!

Kindness Pays Off...

If you mistreat people who are mistreating you, you will make matters worse. When you express anger to somebody who has been angry with you, it's like adding fuel to a fire. No, we overcome evil with good. When somebody hurts you, the only way you can overcome it is by showing them mercy, forgiving them, and doing what is right.

The Bible teaches us that God is our vindicator. He will not let you lose out. You may think you're getting the short end of the stick, but when it's all said and done, God will make sure you don't lose anything truly valuable.

Moreover, He'll make sure you get your just reward. Your responsibility is to remain calm and peaceable even when those around you are not.
